# 1st Technical Meeting for Human Settlement Indicators of SDGs

# Evaluation

**Kenya, 13-17 Feb 2017**
**Lake Elementaita**

# The Parabol of the Cheetah & The Gazelle

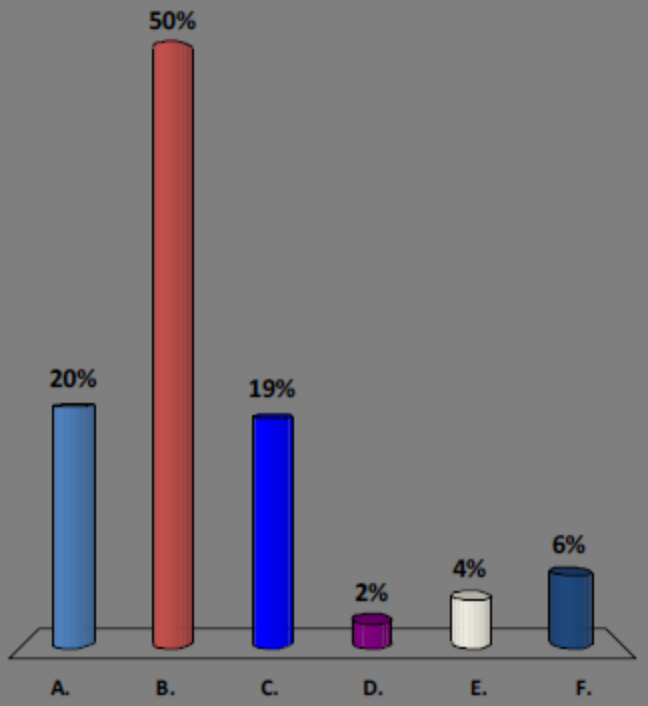
- In order to survive, the cheetah knows it has to be quicker than the fastest gazelle

- In order to survive, the gazelle knows it has to be fastest than the cheetah

# At some point of the SDG11 meeting you stated that:

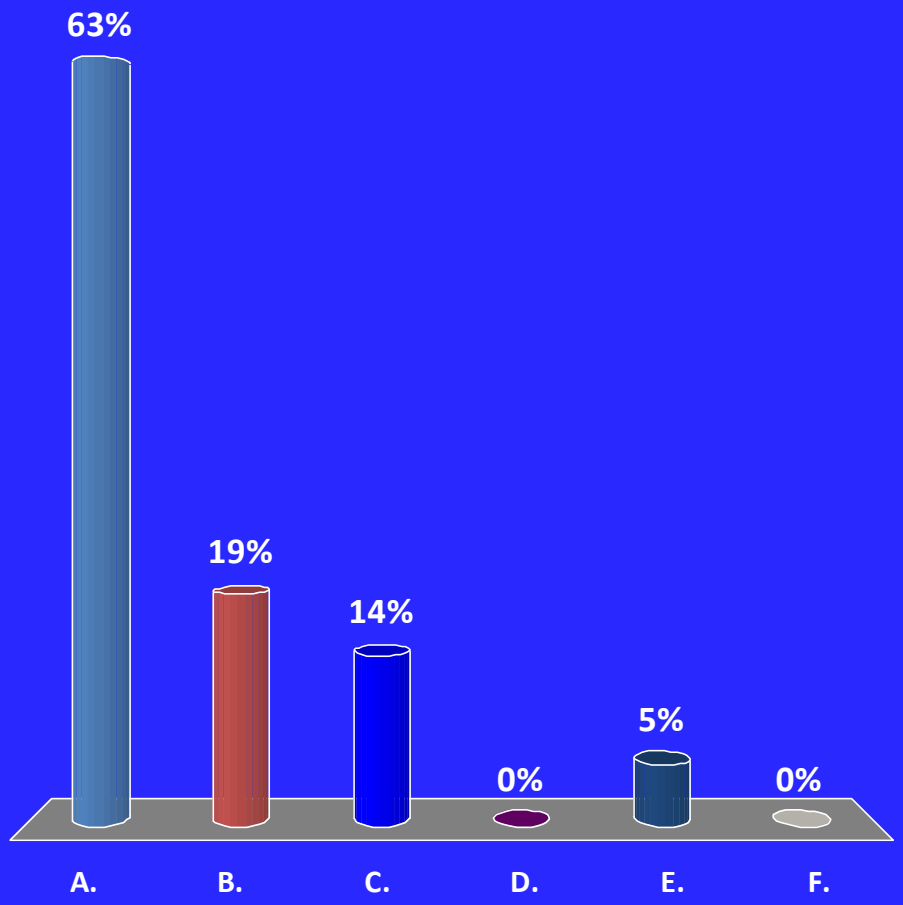
## This is how I feel today :

A. I feel great and motivated.
B. I feel good and ready to continue our learning about the SDGs
C. I feel ok and motivated but am worried about the work I left behind.
D. I feel very worried with the work I left behind.
E. I miss my partner and can't see the moment to go back and get a hug
F. It is my own business how I feel.



# This is how I feel today at the end of the SDG11 Meeting:

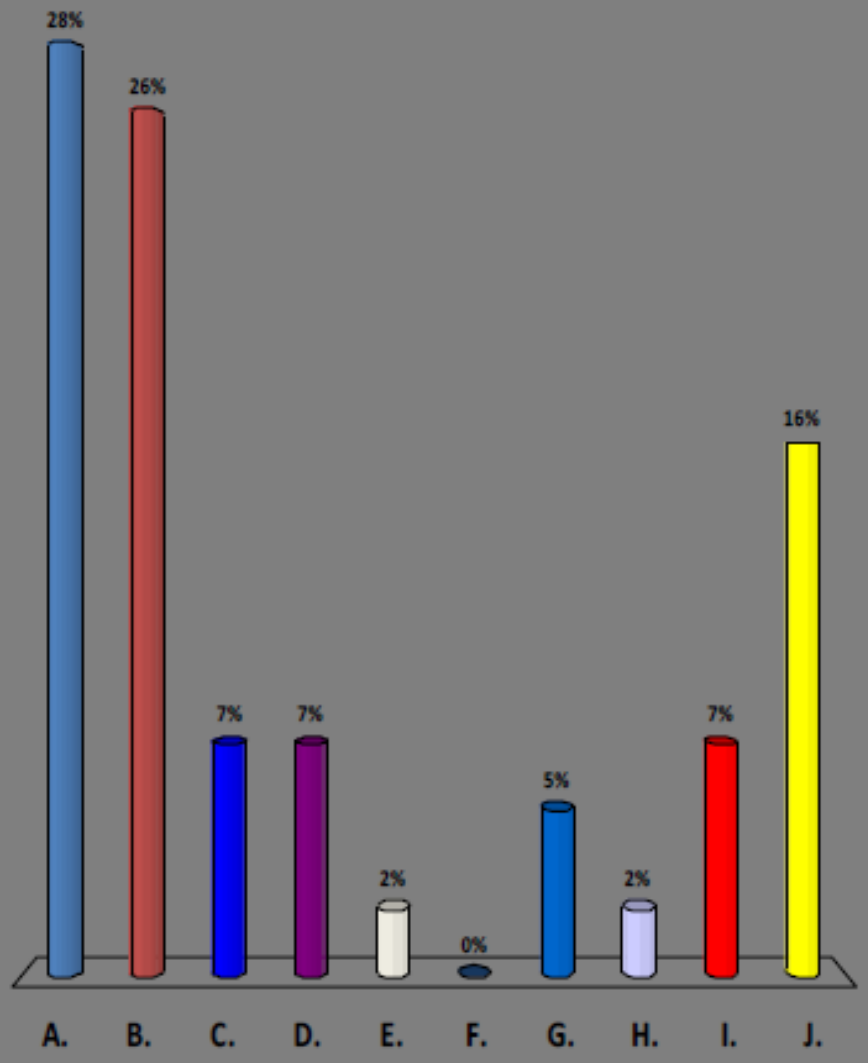
A. Happy and satisfied
B. Satisfied
C. Satisfied but tired
D. Neither happy nor unhappy
E. Can't wait to go and arrive home
F. Unhappy



# This was your No 1 Problem in your city

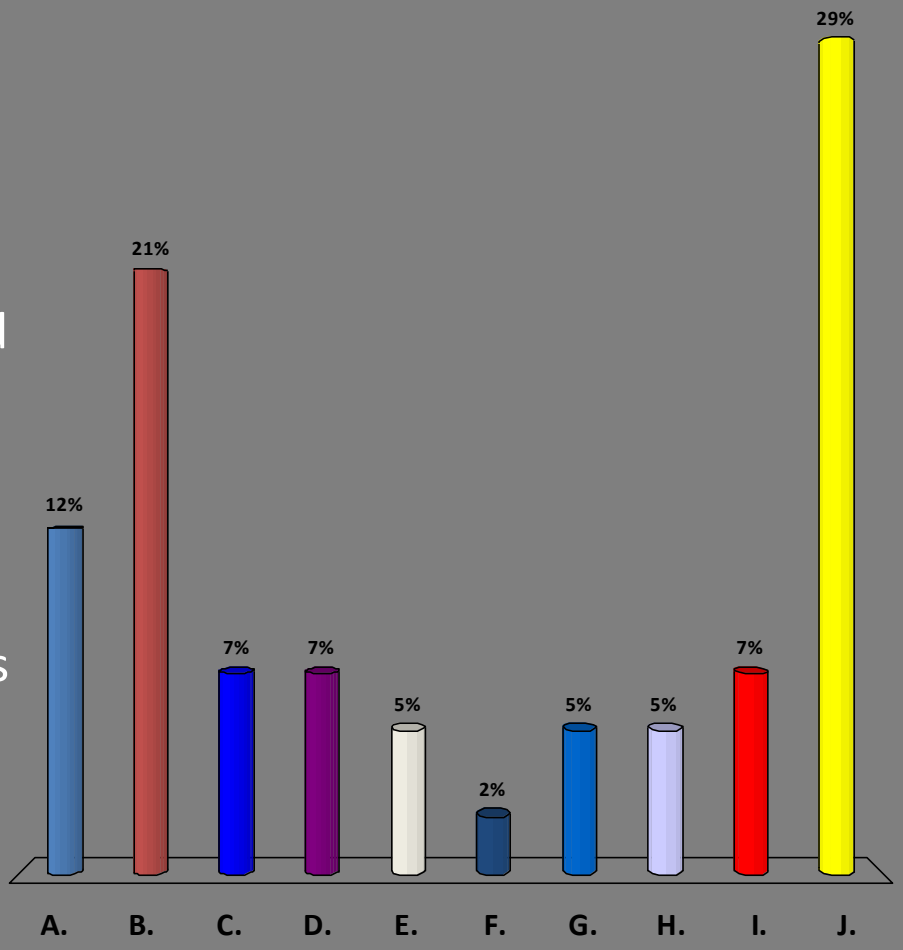
## My number 1 problem in my city is:

A. Scarcity of affordable housing and slum formation leading to uncontrolled growth
B. Poor urban transportation and mobility leading to congestion and pollution
C. Scarcity of land for development leading to speculation and high prices
D. Weak civil society and lack of popular participation in civic affairs
E. Deterioration of historical buildings and urban heritage resulting in loss of identity and culture
F. Vulnerability to natural disaster leading to situations of risk for human lives
G. Poor air quality and GHG emissions leading to poor environment conditions
H. Accumulation of garbage leading to bad health conditions and pollution
I. Lack of green areas and public spaces for leisure
J. Weak regional planning leading to uncoordinated public actions



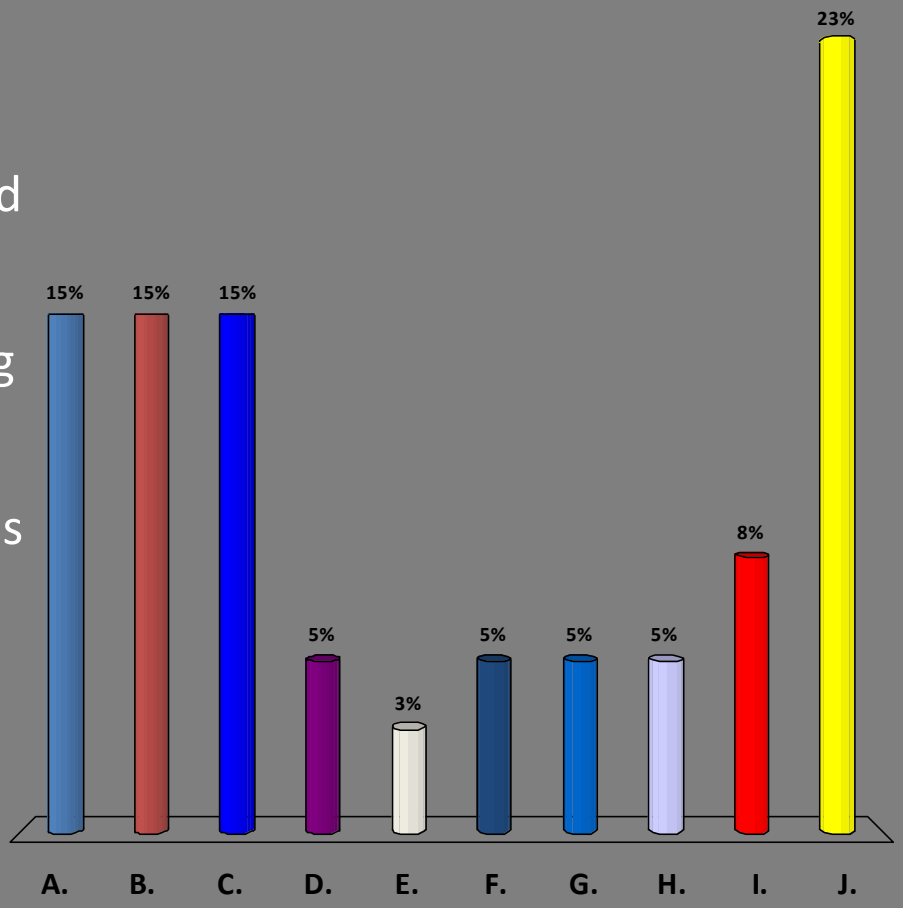
# My number 2 problem in my city is:

A. Scarcity of affordable housing and slum formation leading to uncontrolled growth
B. Poor urban transportation and mobility leading to congestion and pollution
C. Scarcity of land for development leading to speculation and high prices
D. Weak civil society and lack of popular participation in civic affairs
E. Deterioration of historical buildings and urban heritage resulting in loss of identity and culture
F. Vulnerability to natural disaster leading to situations of risk for human lives
G. Poor air quality and GHG emissions leading to poor environment conditions
H. Accumulation of garbage leading to bad health conditions and pollution
I. Lack of green areas and public spaces for leisure
J. Weak regional planning leading to uncoordinated public actions



# My number 3 problem in my city is:

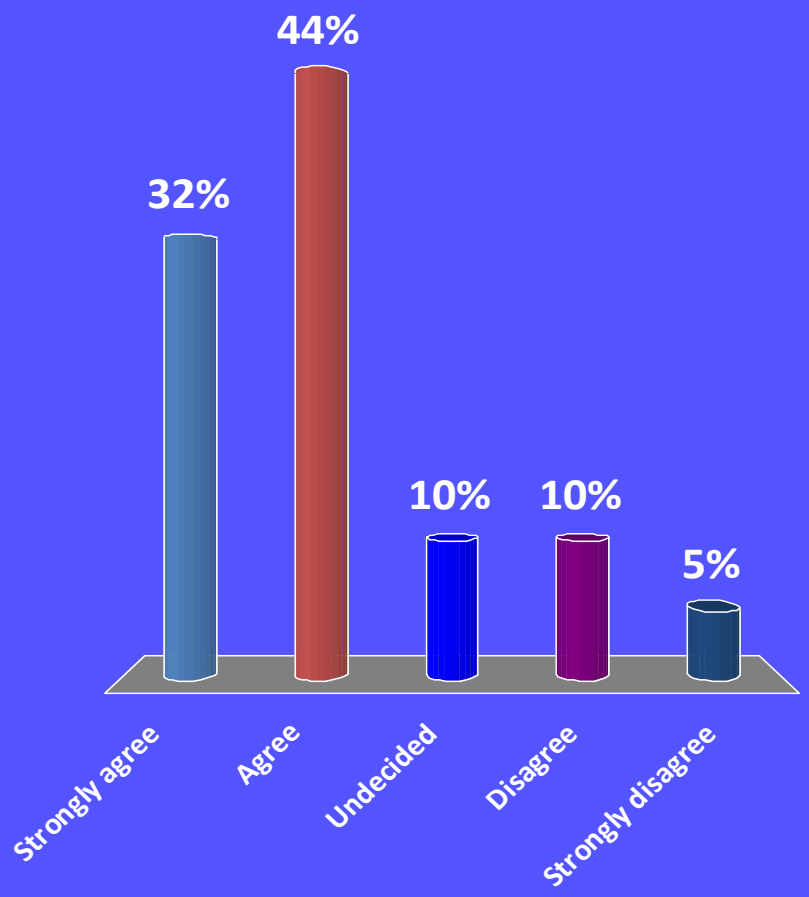
A. Scarcity of affordable housing and slum formation leading to uncontrolled growth
B. Poor urban transportation and mobility leading to congestion and pollution
C. Scarcity of land for development leading to speculation and high prices
D. Weak civil society and lack of popular participation in civic affairs
E. Deterioration of historical buildings and urban heritage resulting in loss of identity and culture
F. Vulnerability to natural disaster leading to situations of risk for human lives
G. Poor air quality and GHG emissions leading to poor environment conditions
H. Accumulation of garbage leading to bad health conditions and pollution
I. Lack of green areas and public spaces for leisure
J. Weak regional planning leading to uncoordinated public actions



# Before coming to the Kenya

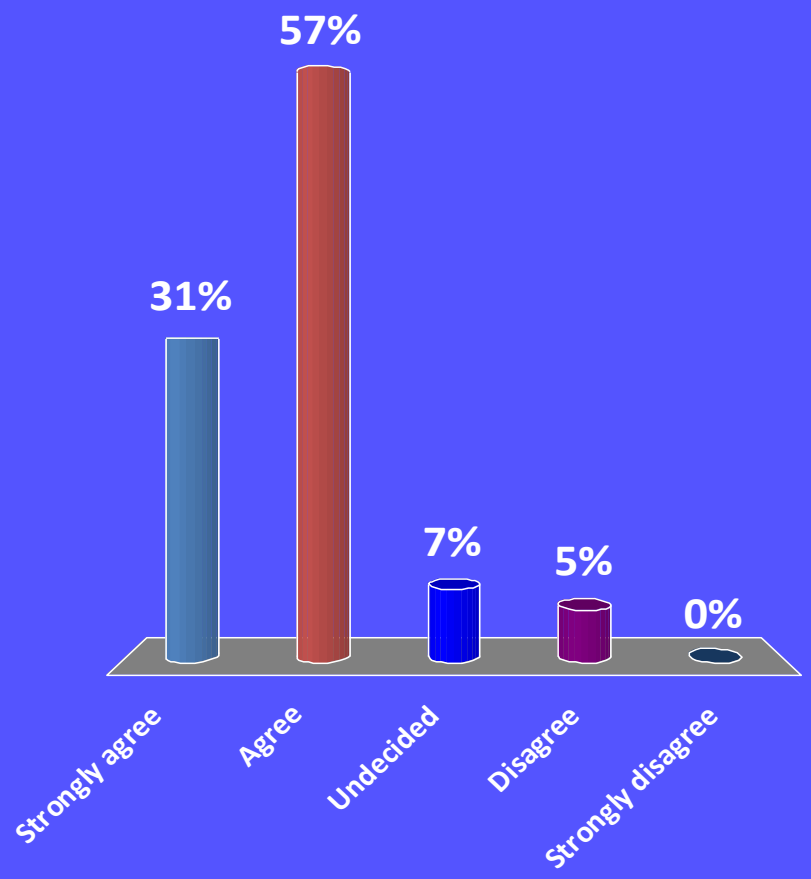
# I was fully informed in advance about the SDG11 Technical Meeting and its objectives.

A. Strongly agree
B. Agree
C. Undecided
D. Disagree
E. Strongly disagree



# The communication, provision of information and preparation for the SDG 11 Technical Meeting was well done.

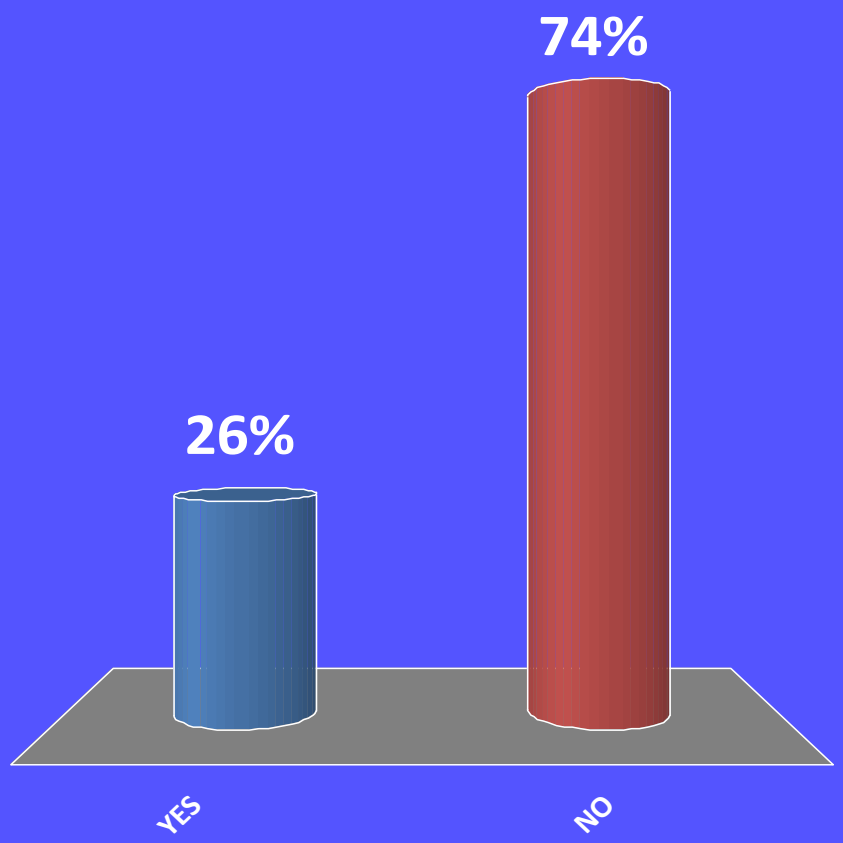
A. Strongly agree
B. Agree
C. Undecided
D. Disagree
E. Strongly disagree



# For the next SDG technical meeting, I would like to recommend something about the organization and preparation of the meeting

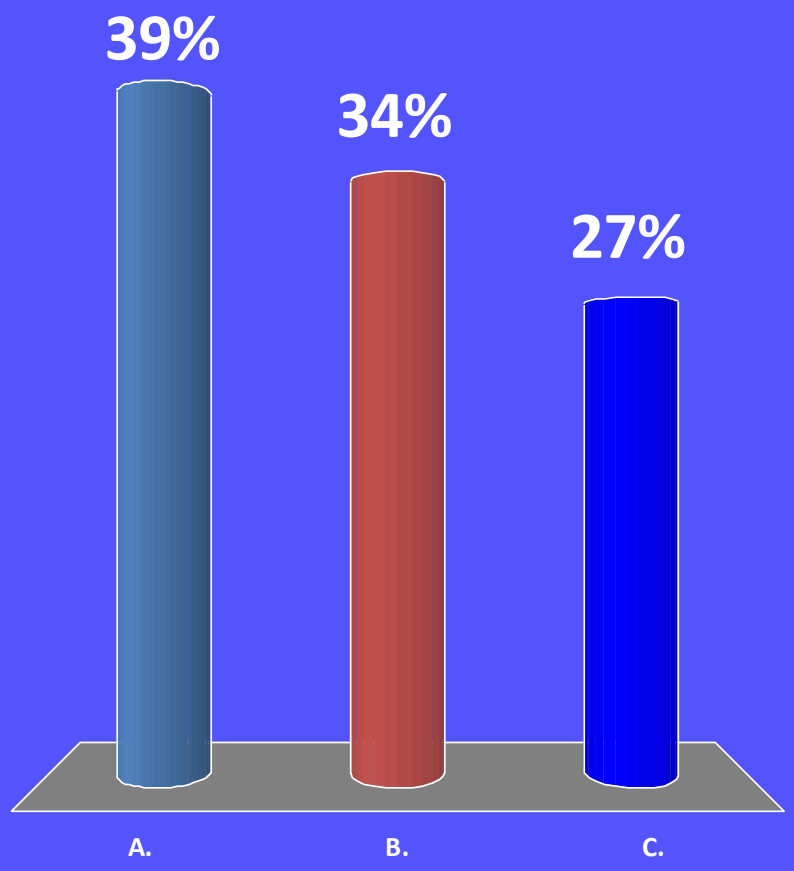
A. YES

B. NO



# Before coming to the SDG Meeting, I had sufficient time to prepare and read the background materials and be ready with my presentation

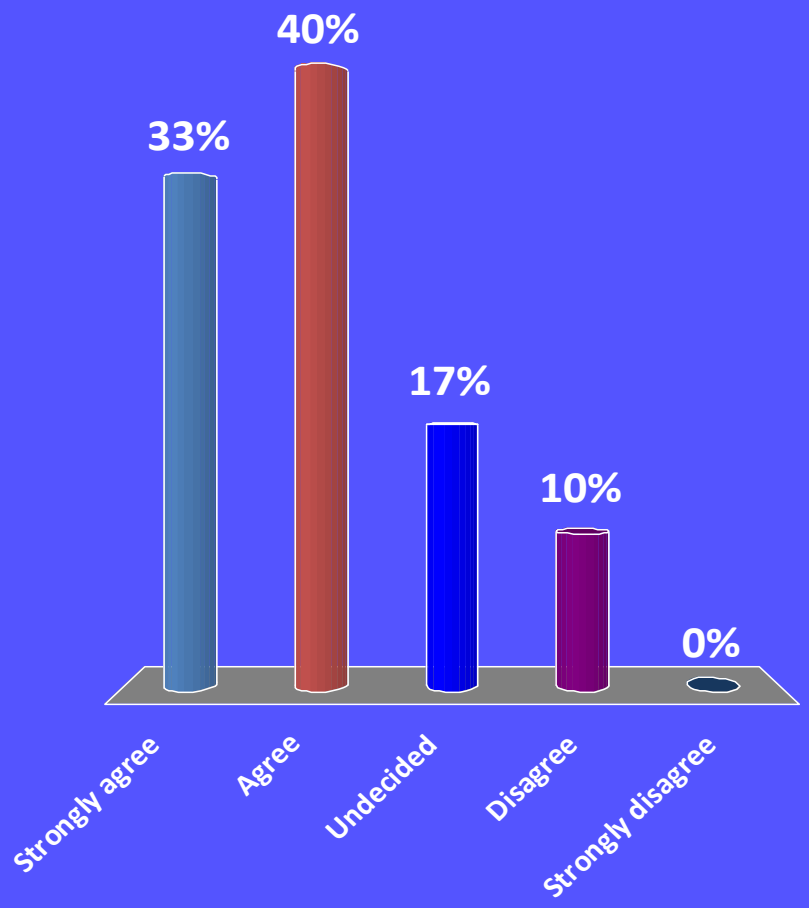
A. YES
B. Partly
C. NO



# The SDG 11 Meeting in Lake Elementaita

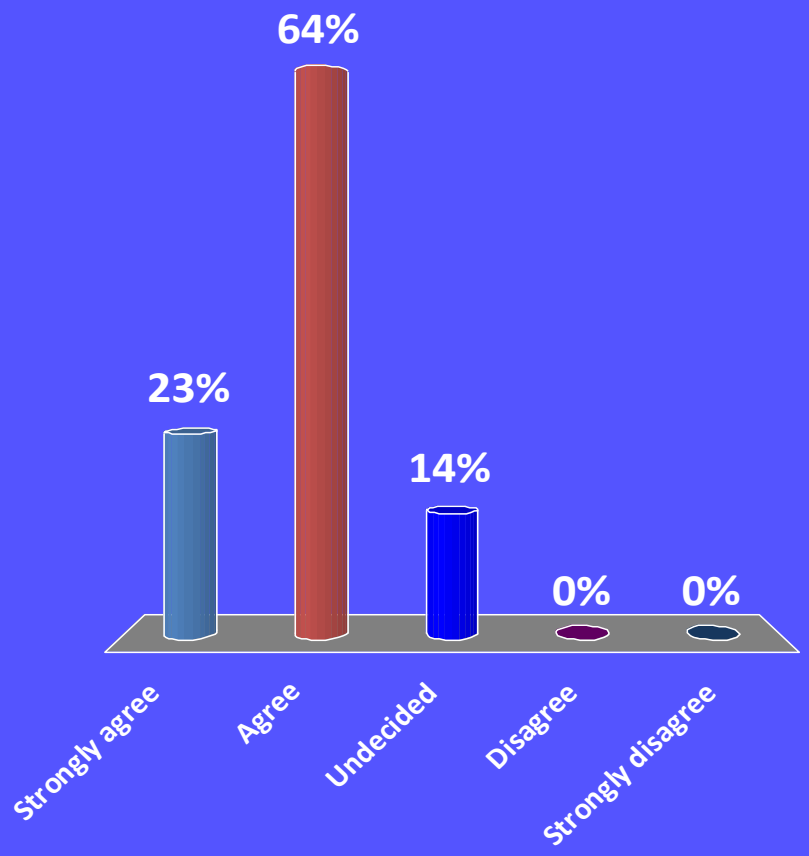
# The venue, accommodation, facilities and organization used for the SDG 11 workshop was very good

A. **Strongly agree**
B. **Agree**
C. **Undecided**
D. **Disagree**
E. **Strongly disagree**



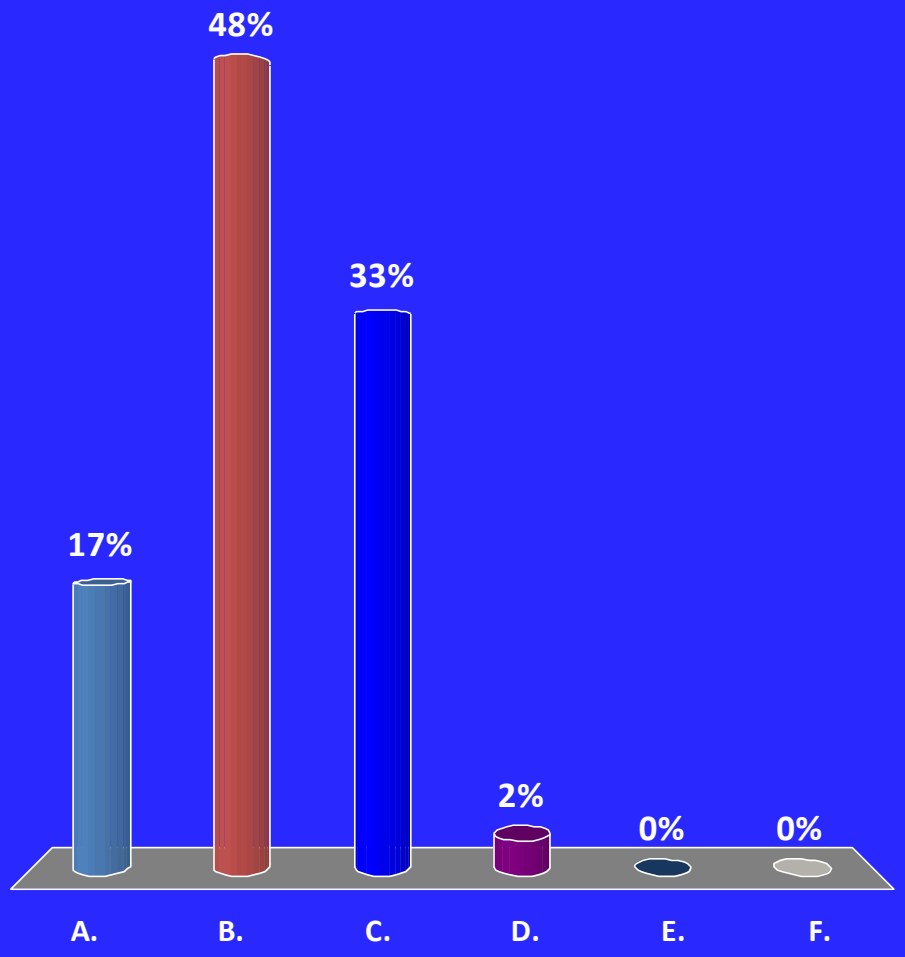
# The technical equipment and facilities used during the SDG 11 workshop was very good

A. Strongly agree
B. Agree
C. Undecided
D. Disagree
E. Strongly disagree



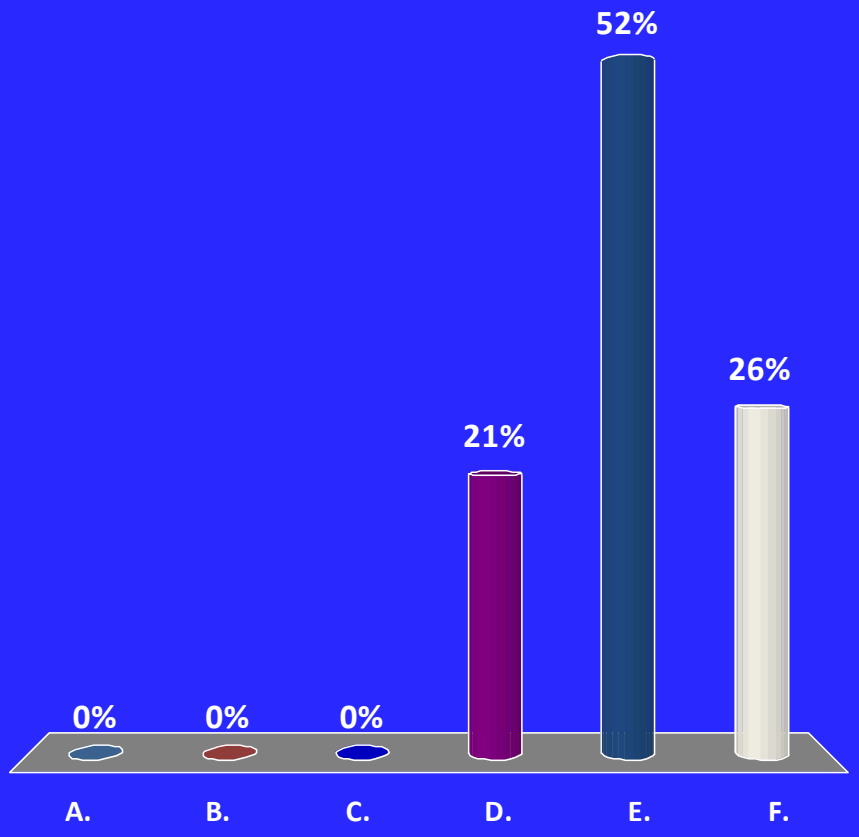
# About the conduct and organization of the SDG11 meeting in locus

A. It was excellent.
B. Well organized and productive.
C. Well organized but I missed time to exchange and discuss.
D. Just good and well balanced
E. It was satisfactory.
F. It didn't fulfil my expectations.



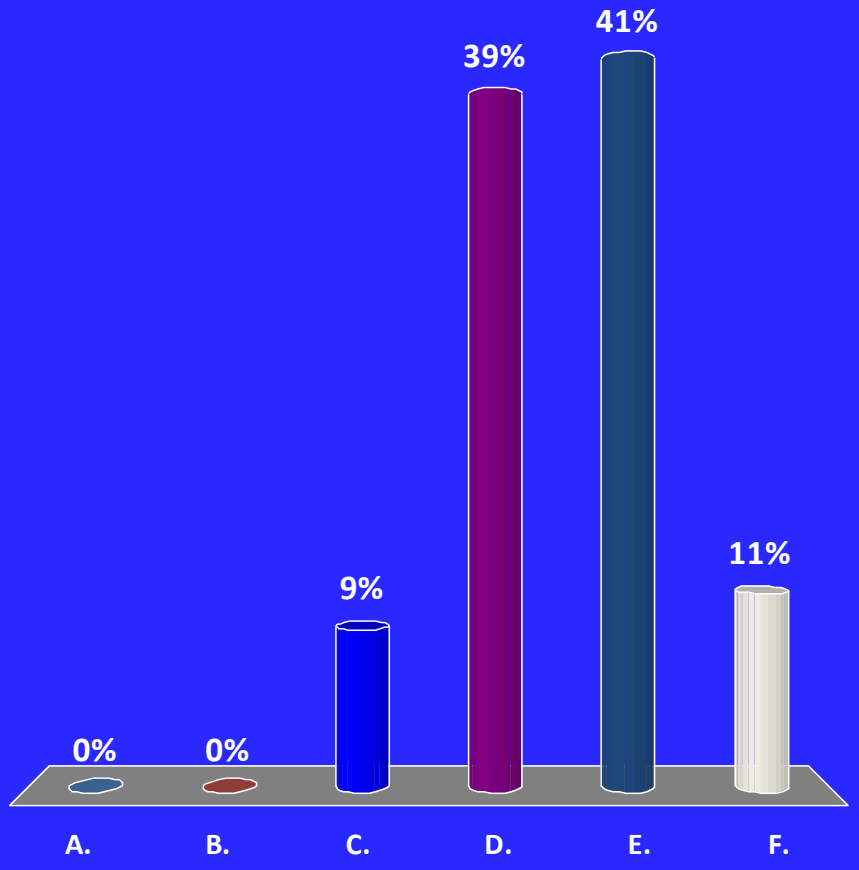
# From 0 to 5 where 0 is bad and 5 is excellent, I rate the content of the SDG11 meeting:

A. 0 = BAD
B. 1
C. 2
D. 3
E. 4
F. 5 = EXCELLENT



# From 0 to 5 where 0 is bad and 5 is excellent, I rate the structure of the SDG11 Meeting:

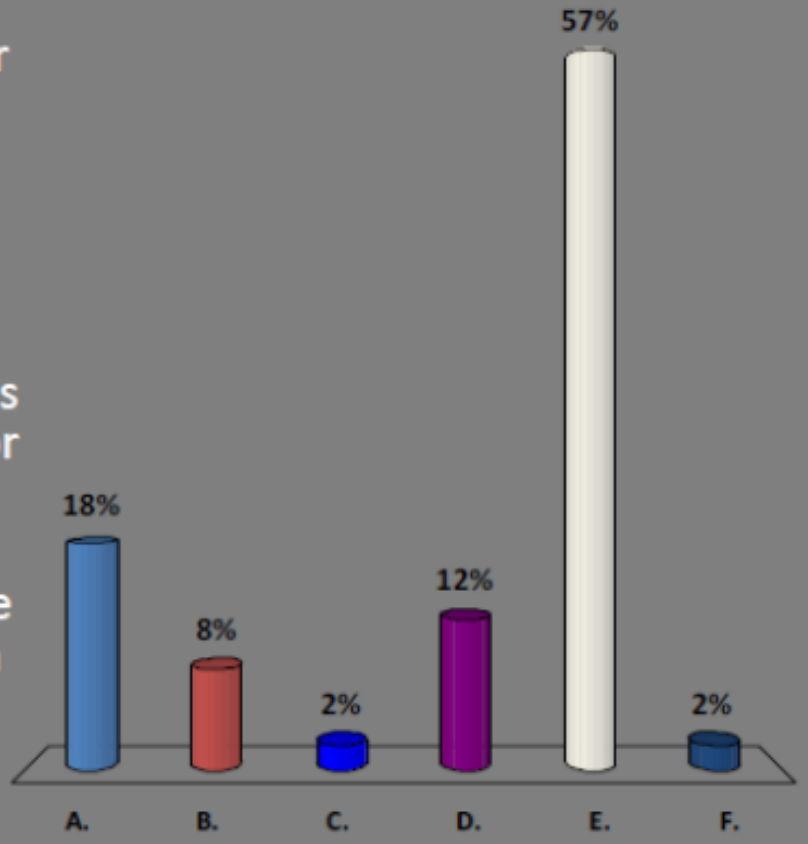
A. 0 = BAD
B. 1
C. 2
D. 3
E. 4
F. 5 = EXCELLENT



# At the beginning, this was my expectation:

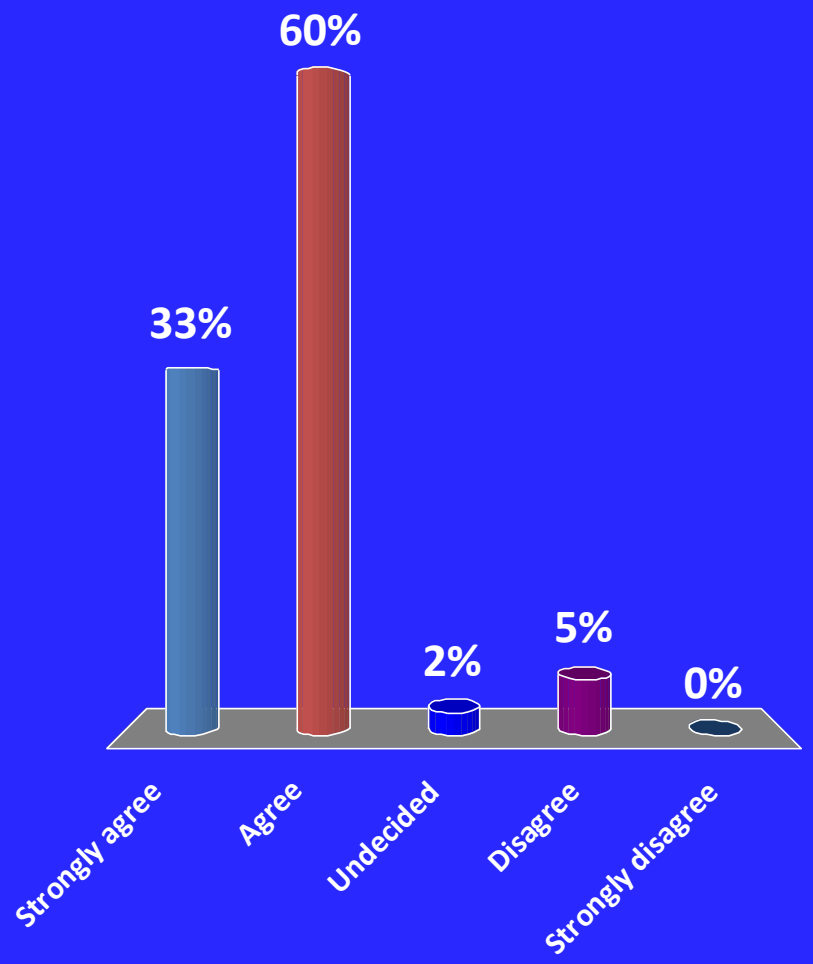
## My expectation:

A. Acquire in-depth knowledge of the SDG11 and its indicators for further monitoring
B. Getting to know more about my colleagues' work on SDGs
C. Learn about the challenges facing organizations working on SDGs
D. Strengthen my knowledge and skills in designing and using indicators for monitoring the SDGs
E. Discuss, exchange ideas, and agree on means of implementation of the monitoring and reporting based on agreed indicators
F. None of the above



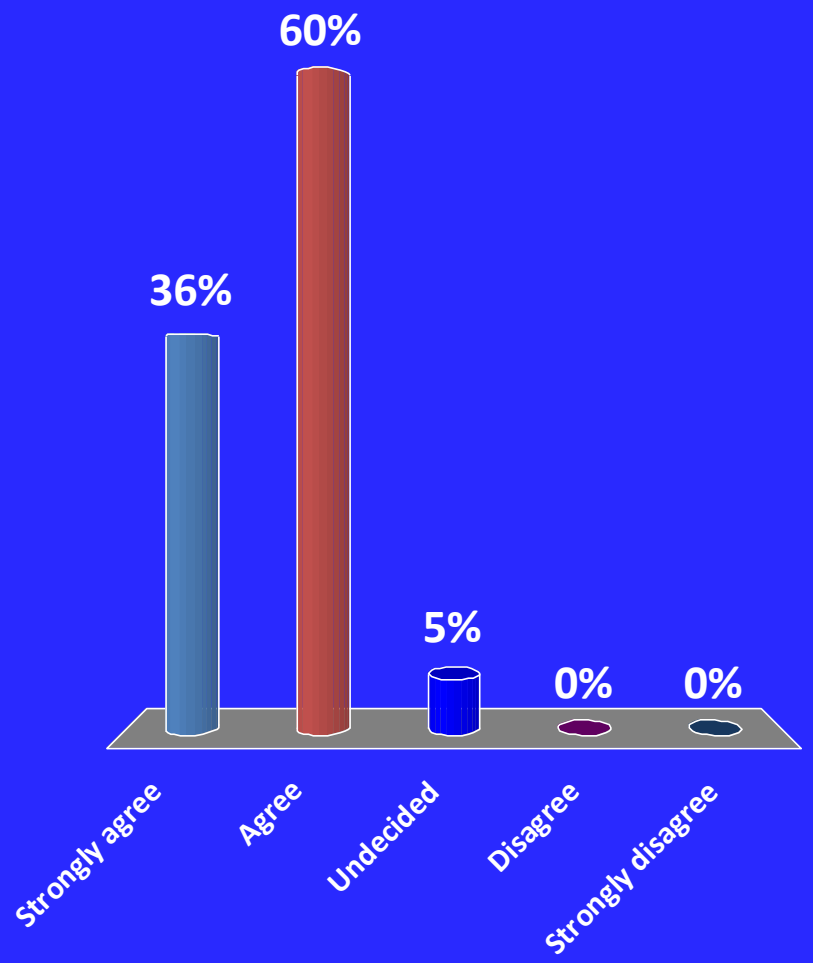
# Overall, I feel that my expectations were met with the SDG11 Technical Meeting

A. Strongly agree
B. Agree
C. Undecided
D. Disagree
E. Strongly disagree



# Overall, I feel that the SDG11 Meeting was a valid use of time and I can think of tangible ways it will positively affect my work.

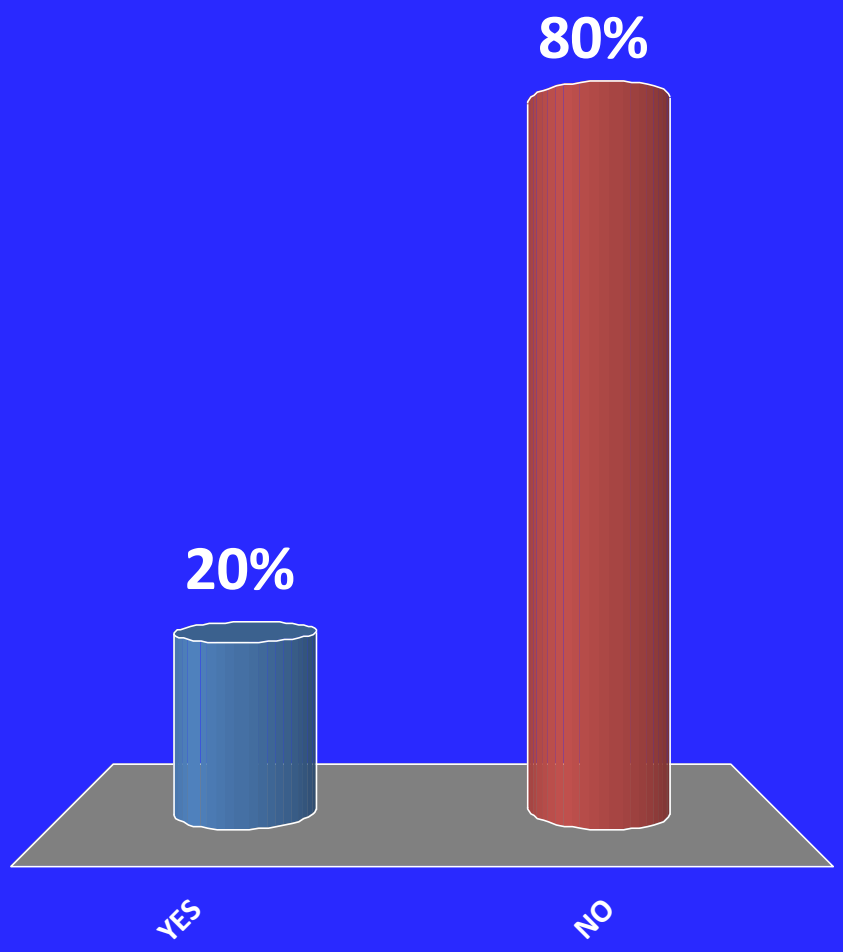
A. Strongly agree
B. Agree
C. Undecided
D. Disagree
E. Strongly disagree



# Regarding the content and organization of the workshop, I would like to make a recommendation for the next SDG11 Meeting

A. YES

B. NO



# About the programme and activities of the SDG11 Meeting

# From 0 to 5 where 0 is bad and 5 is excellent, I consider that the tools and materials used in the SDG11 Meeting

A. 0 = BAD

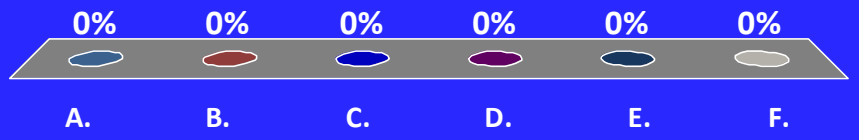
B. 1

C. 2

D. 3

E. 4

F. 5 = EXCELLENT



Response Counter

# From 0 to 5 where 0 is bad and 5 is excellent, I consider that the methodologies used in the SDG11 Meeting

A. 0 = BAD

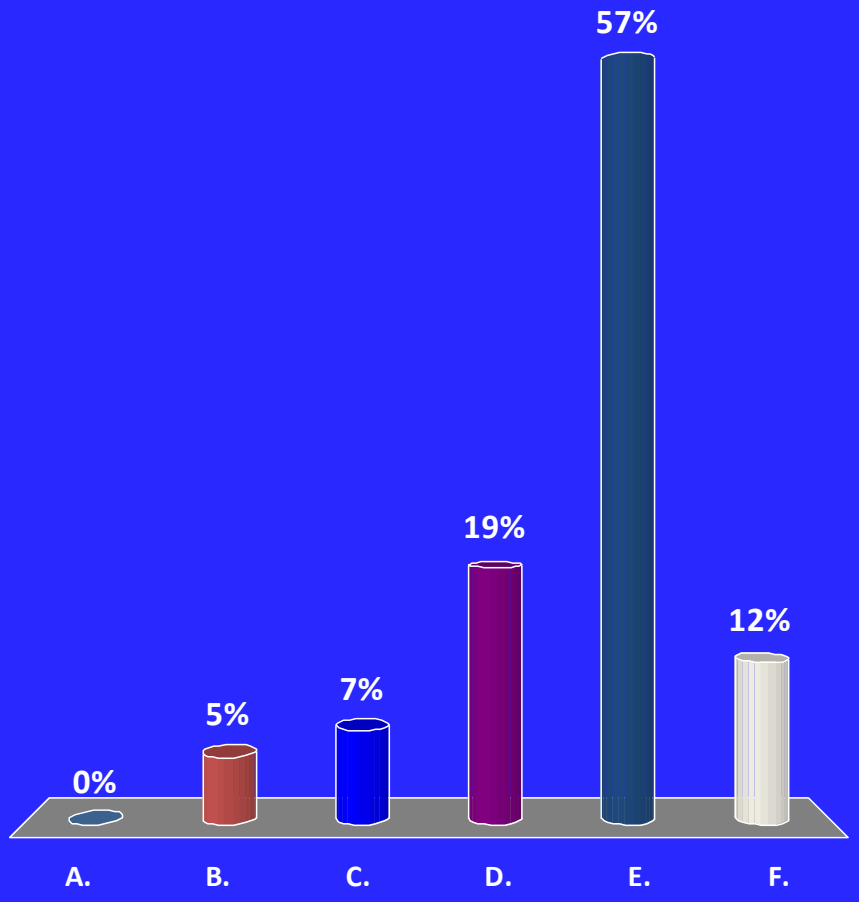
B. 1

C. 2

D. 3

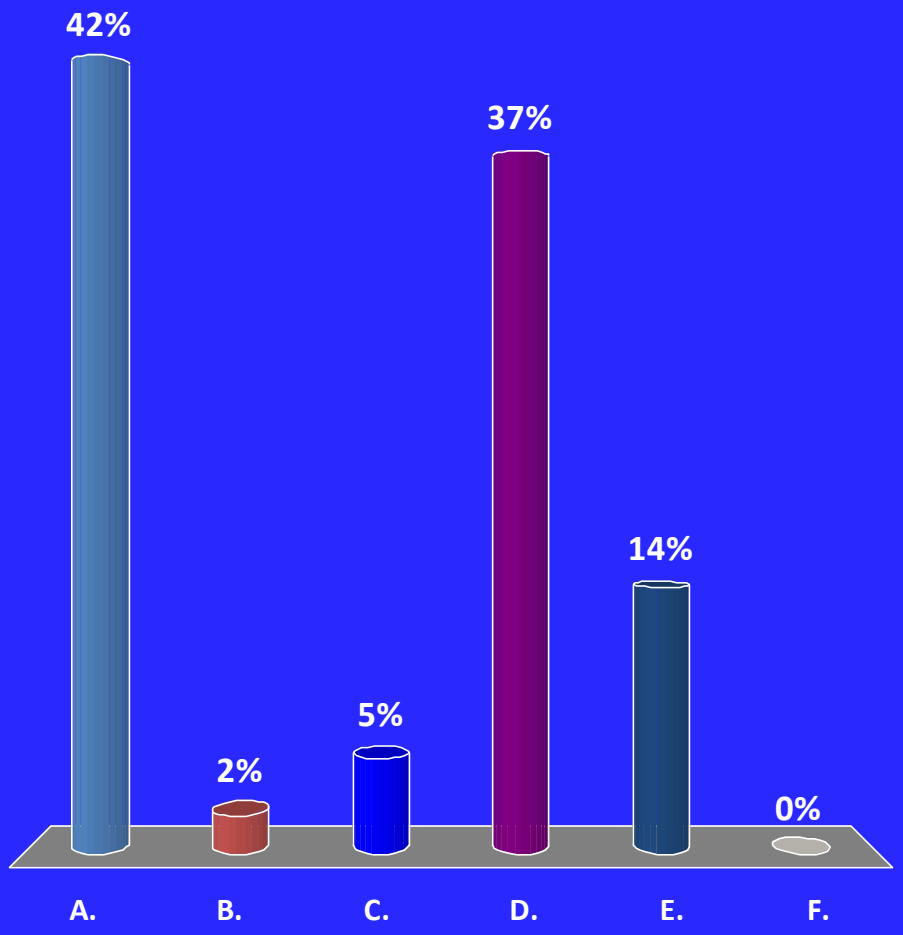
E. 4

F. 5 = EXCELLENT



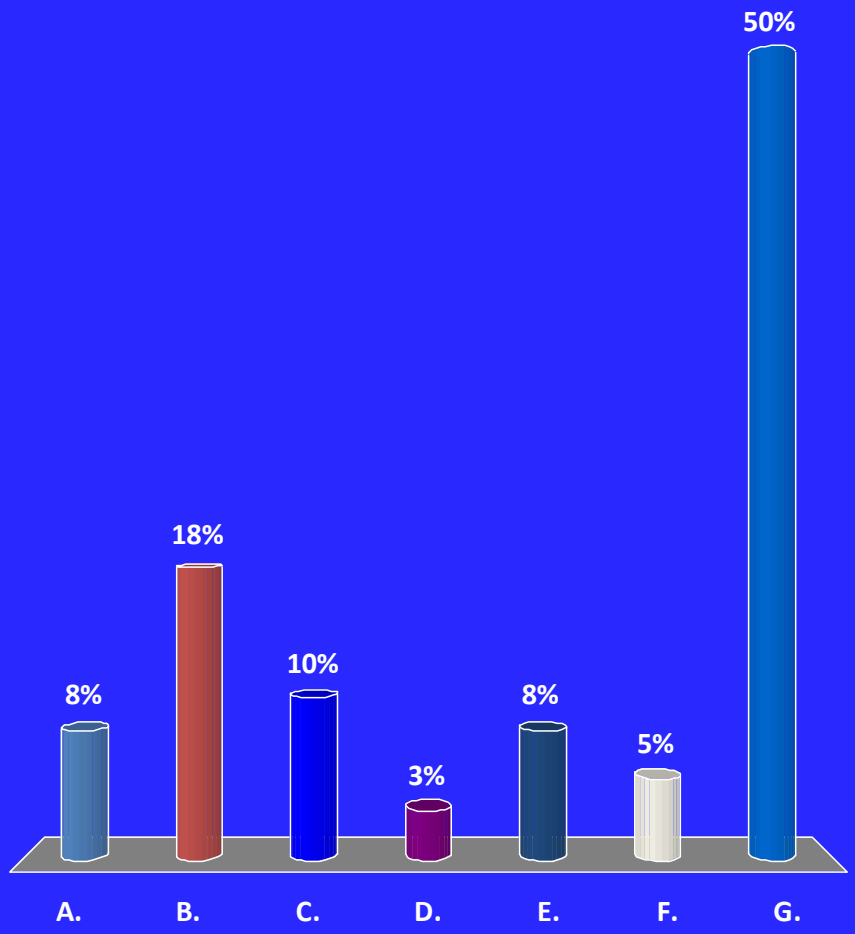
# How do you feel about the length of the SDG 11 Workshop?

A. Just perfect length.
B. Short.
C. Too short.
D. Long.
E. Too long
F. I did not like the length of the wksp.



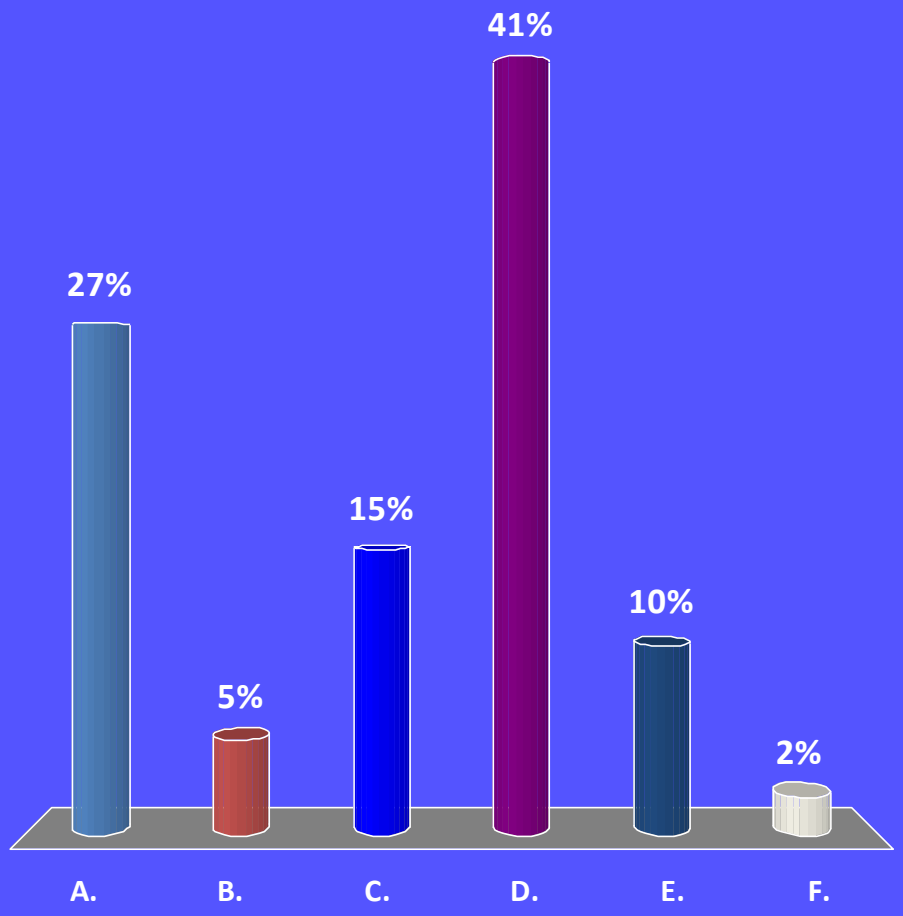
# Which part of the programme of the SDG 11 Meeting did you like most?

A. The Policies and Overall Framework of SDG11
B. Methodologies of data collection
C. Description and Analysis of the Targets of the SDG11
D. Technical Measurements
E. Capacity building and institutional capacity
F. The challenges of the Statistical Offices
G. Working groups and discussions



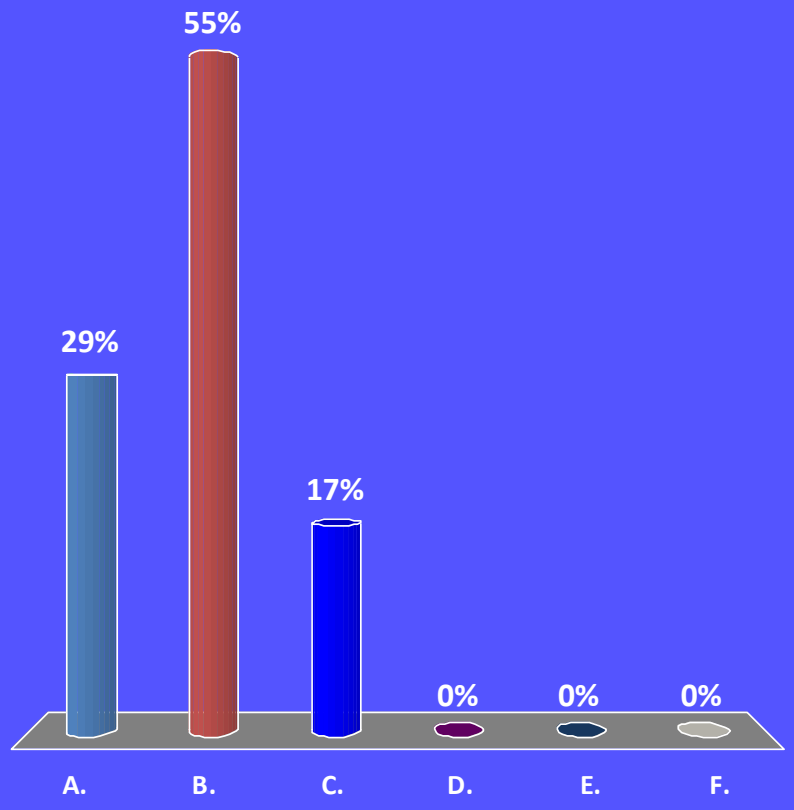
# I missed in the programme of the SDG11 Technical Meeting

A. More time for discussion and interaction on the issues being presented
B. Discussion about the policy implications
C. More time for personal/bilateral discussions
D. More time to discuss problems/limitations and ways to overcome them
E. More time to relax and sleep
F. Other



# Overall, I rate the 1st SDG 11 Technical Meeting:

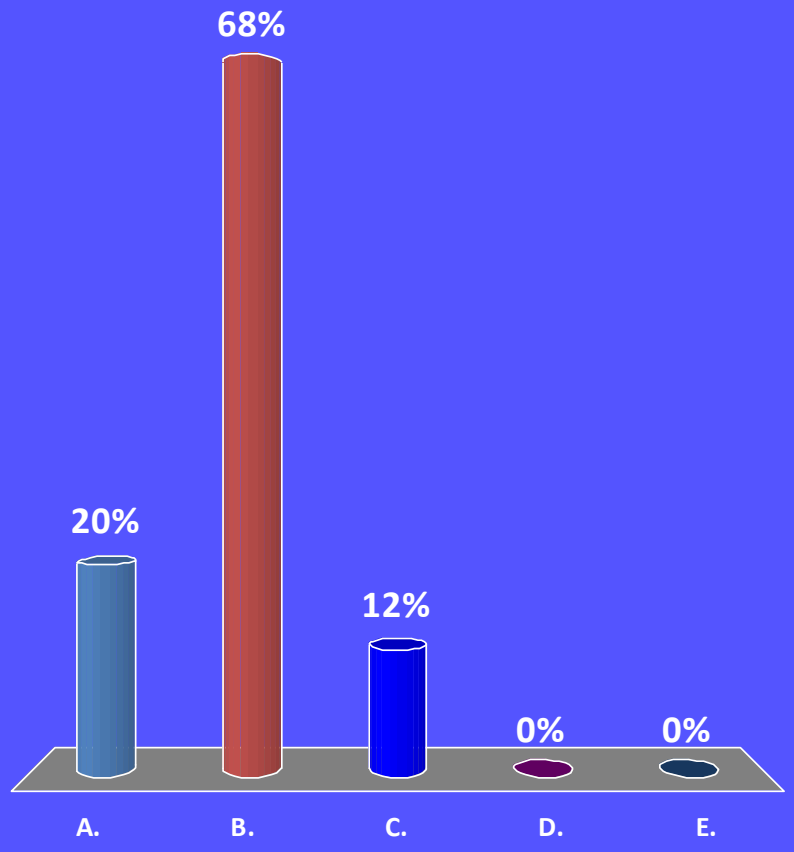
A. Excellent
B. Very good
C. Good
D. Neither good nor poor
E. Poor
F. Very poor



# After the SDG11 Meeting is over

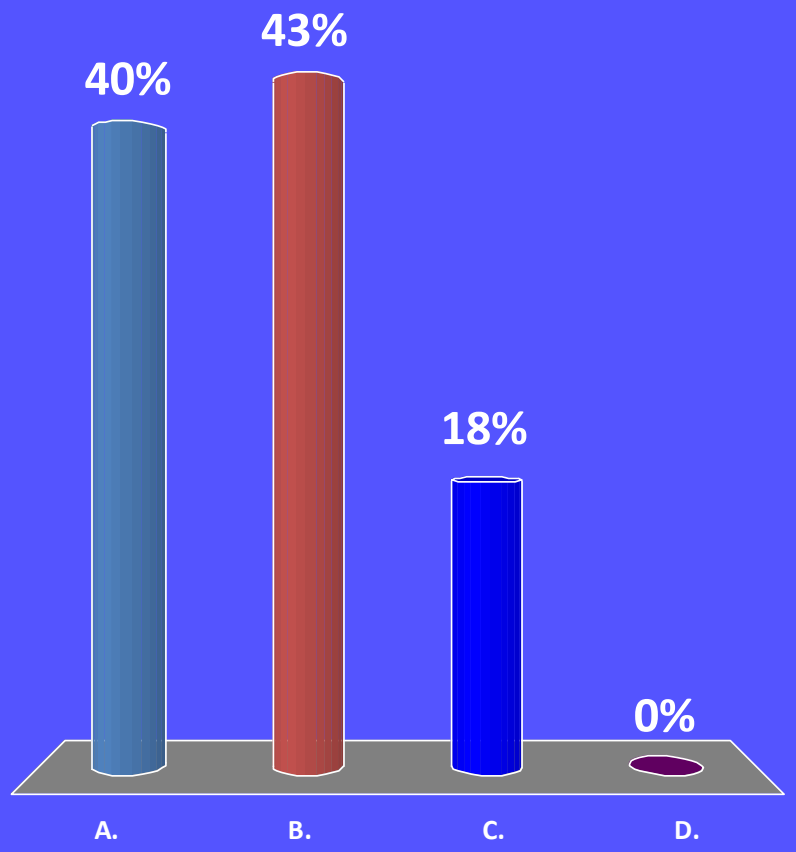
# I leave the 1st SDG 11 Technical Meeting:

A. Optimist
B. Full of ideas on how to move forward
C. Worried
D. Pessimist
E. In the same way I came



**I managed to establish good contacts and held sound discussions with colleagues for further collaboration and leave the 1st SDG 11 Technical Meeting with some clear ideas for the future work:**

A. Fully agreed
B. Agreed
C. Partly agreed
D. Disagree



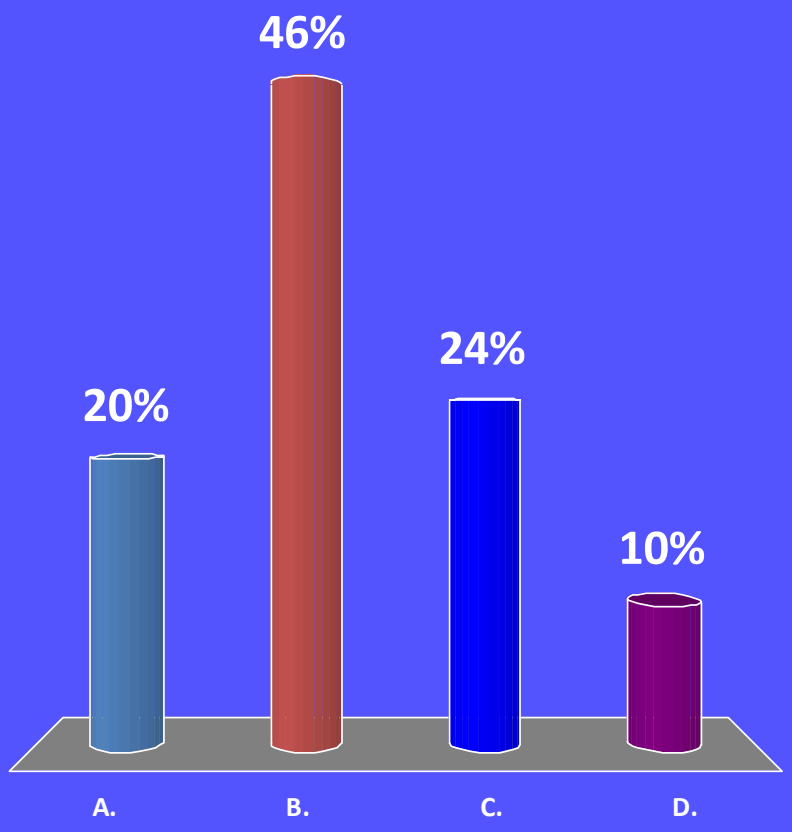
**Due to the novelty of some indicators and their formulation leading to interpretation, experts are exploring definitions to ease further work. I am of the opinion that…**

A. Existing internationally agreed definitions should be used to the maximum extent possible

B. Existing internationally agreed definitions should be enhanced and further refined in a new definition

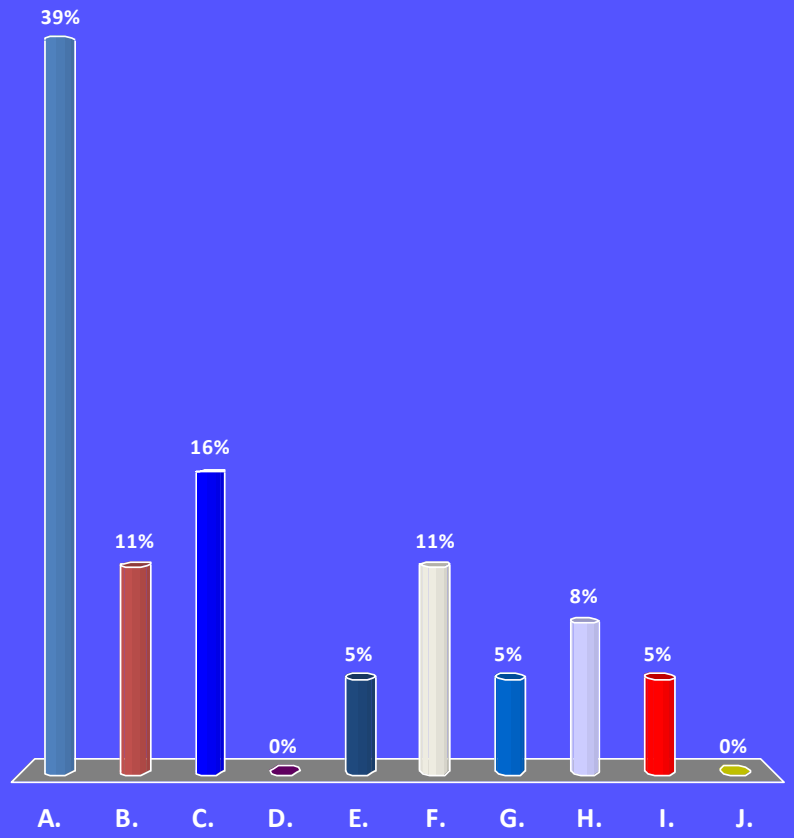
C. New definitions should be agreed upon internationally in order to make the indicator and its measurement more accurate

D. I do not have an opinion about it



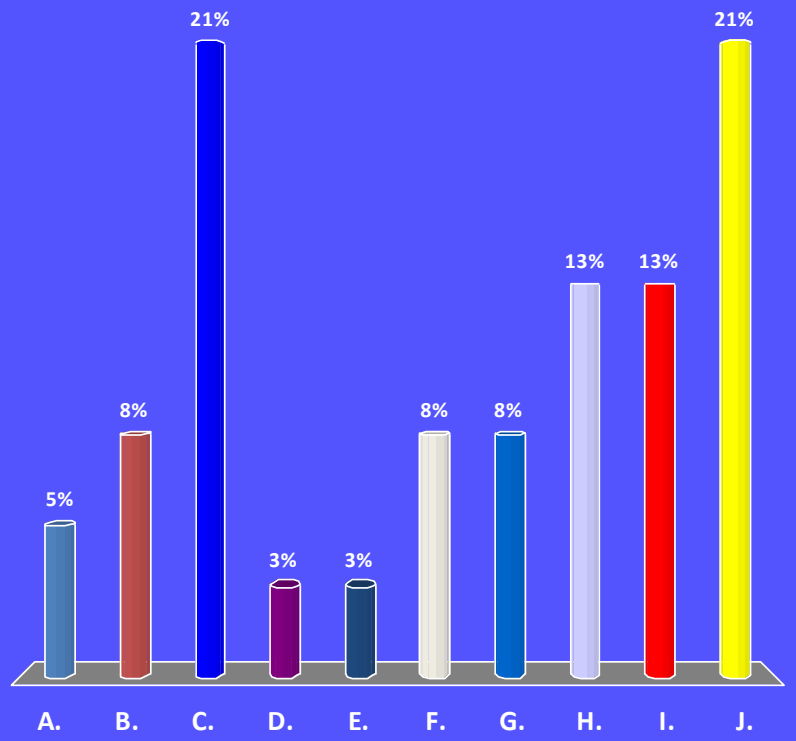
# Of all the SDG11 Targets, the one with the highest chance of quick-win in data collection and reporting is:

A. **11.1** Affordable housing & slums
B. **11.2** Sustainable transport
C. **11.3** Participatory & inclusive planning
D. **11.4** Cultural & natural heritage
E. **11.5** Disaster Reduction
F. **11.6** Air Quality and Waste Managment
G. **11.7** Public Spaces
H. **11.a** Rural-Urban & regional planning
I. **11.b** Mitigation of climate change-resilience
J. **11.c** Sustainable buildings



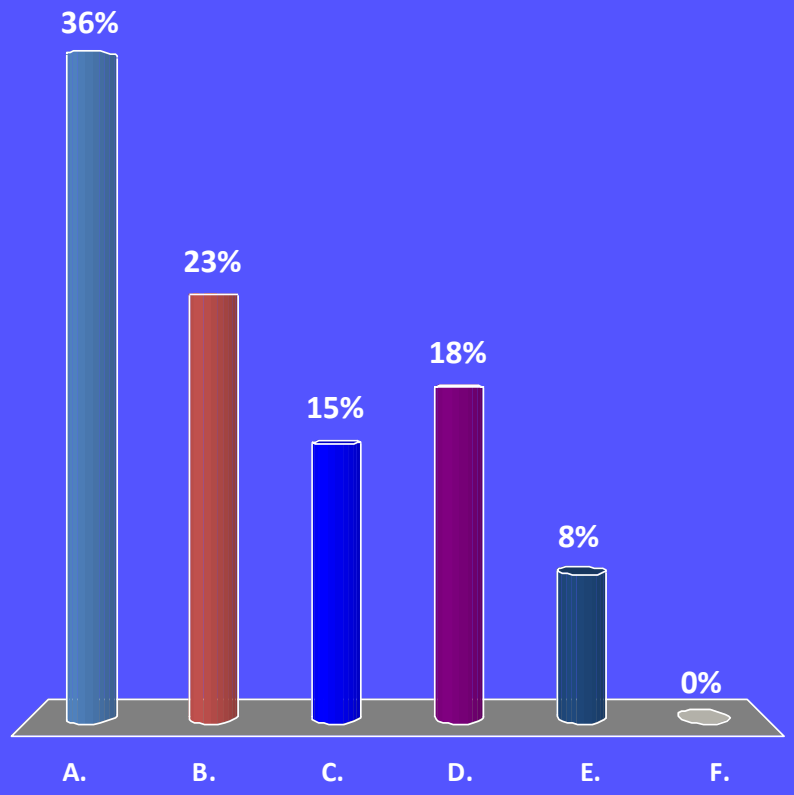
# Of all the SDG11 Targets, the one with the highest level of difficulty for data collection and reporting is:

A. **11.1** Affordable housing & slums
B. **11.2** Sustainable transport
C. **11.3** Participatory & inclusive planning
D. **11.4** Cultural & natural heritage
E. **11.5** Disaster Reduction
F. **11.6** Air Quality and Waste Managment
G. **11.7** Public Spaces
H. **11.a** Rural-Urban & regional planning
I. **11.b** Mitigation of climate change-resilience
J. **11.c** Sustainable buildings



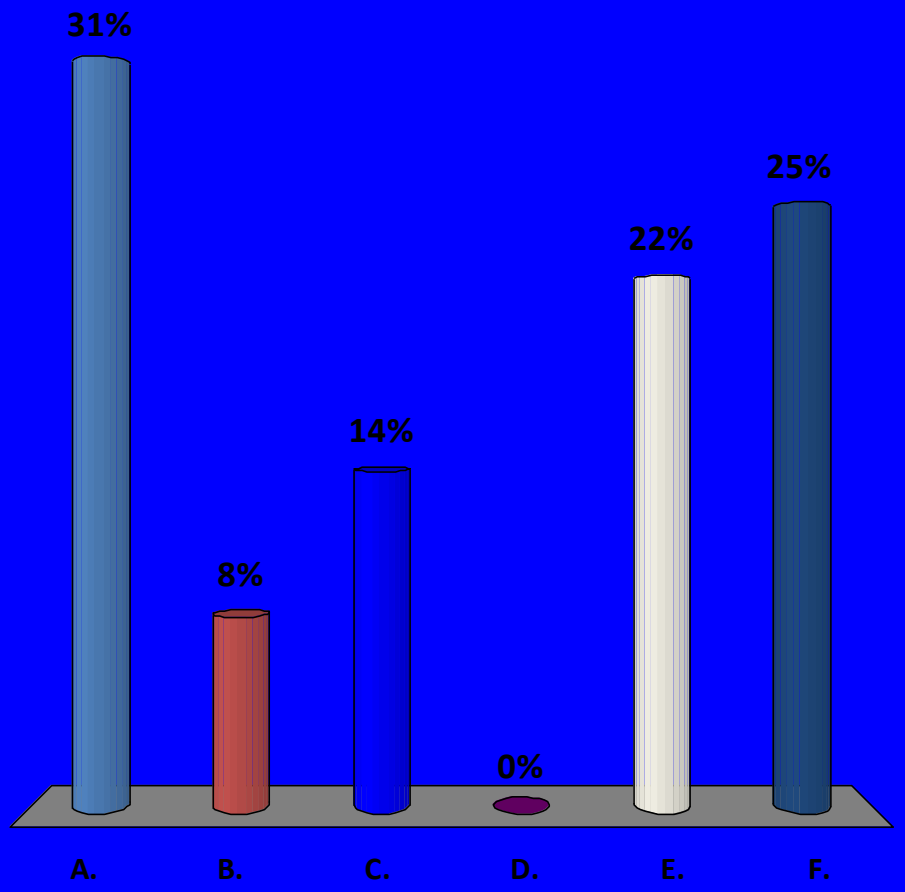
# For the near future, I expect to participate in

A. Clear and final definition of the indicators
B. Agreed methods and means of data collection
C. Agreed methods, means and approaches to gather missing data
D. Guideline and support from UN-Habitat on the way forward
E. Fund raising to start doing the work
F. Clearly defined calendar



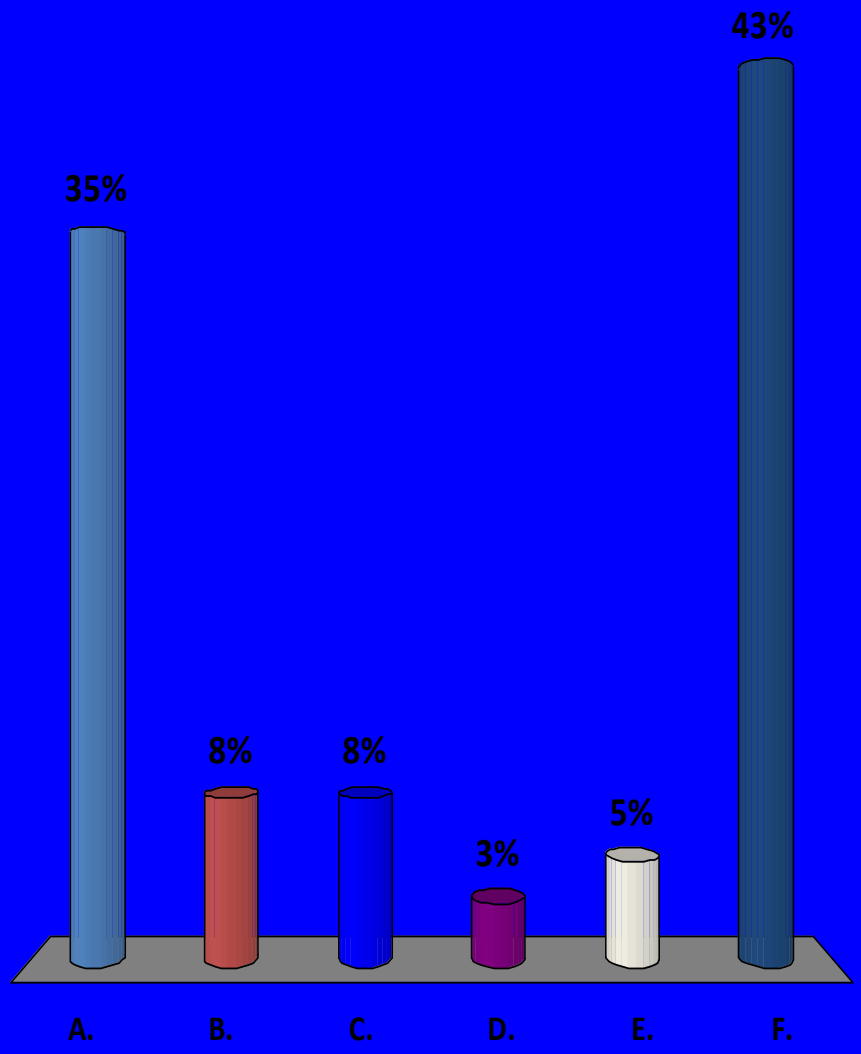
# The Zebras

A. Are white with black stripes
B. Are black with white stripes
C. Have more white than black on their skin
D. Have more black than white on their skin
E. Are hermafrodit and therefore have equal white and black stripes
F. Are originated from the mix between the Gnu and the wild horses of the African savanahs



# FINALLY, all I want now is:

A. A kiss of my partner
B. A hug and congratulatios for the fruitful work done
C. Go to the airport as soon as possible
D. Get a beer and continue a discussion about the SDG
E. Get my laptop and prepare a project proposal for fund raising
F. I am fed-up of questions



# Thank you!
