About yourselves
How are you?

- Hungry: 70%
- Homesick: 10%
- Curious: 10%
- Happy: 10%
Please write the name of your city and country.

- Brazil
- Lilongwe
- Kirtipur
- Mozambique
- Nepal
- Malawi
- Cambodia
- Phnom Penh
- Dhulikhel
- Belo Horizonte
- Kingston
- National
Are you working for/as:

- National Government: 3
- Subnational/local Government: 2
- Freelancer: 1
- Others: 1
You are a.....
Your assessment of our training course
How well your expectations from the training are met?
How satisfied you are with the following main focus?
Yes or No?

No

You have enough opportunities to present the climate change adaptation/mitigation actions of your city/region

Yes

8.3
Did you have opportunities to discuss challenges and solutions in CC mitigation and adaptation in your cities?

- No
  - You have enough opportunities to present the climate change adaptation/mitigation actions of your city/region

- Yes
Do you agree?

I came across with new ideas in this visit

Strongly disagree

There are more than 02 things useful for myself and my works

Strongly agree

There is hardly anything new and useful I've heard so far

I like the interaction of the experts and counterparts

I wished we had more time for discussions
If there will be more training with ARCADIS and UN-Habitat, we would like to focus on:

- National Urban Policies
- Inclusionary Housing and Financing Mechanism
- The Implementation of New Urban Agenda and Monitoring SDG11
- Urban Planning for Climate Change Mitigation and Adaptation
- Slum Transformation
- Urban Economy and Budgeting
- Basic Services in Cities
- City Prosperity Index and National Urban Observatory
If there will be more training with ARCADIS and UN-Habitat, we would like to focus on:

- Urban Legislation and Land Management Tools: 9
- Urban Planning: 6
- Resource Efficiency in Cities: 8
- Public Space: 8.6
- Others: 3
Our performance

- Training course performance
- Logistic performance
How did the course training methodology meet your expectation?
Please rank the performance of accommodation and logistic support

- Training facility is great: 4.8
- Accommodation and food are great: 4.0
- Application and Pre-course information was clear and easy to follow: 4.5
- ARCADIS and UN-Habitat staff were friendly and helpful: 4.8
Please rank the performance of Resource People and Facilitators

The sessions were interactive and well facilitated: 4.9
The resource people know their subjects well: 4.7
The Resource People allow sufficient time for questions and answers: 4.4
Session time and duration were well managed: 4.4
Thing(s) that you like most about this week are:

- Water management
- City views
- Bicycling
- Field visits
- Participation
- Preparation
- Food
- Accommodation
- Environment
- Site visits
- Course content
- The new friends
- People
- Environment
- Site seeing
Thing(s) that we can improve are:

- duration
- accommodation
- visits
- connections time
- materials to be given
- break-time
- early required visa docs
- field visit
- duration
- time
- more time for sessions
- long term training
- weather
- food
Did you have a good time?

No

Yes

2.6
THANK YOU - SEE YOU AGAIN __ DANK JULLIE WEL - TOT ZIEN
